

## MIAMISBURG BASKETBALL ASSOCIATION

### GYM RULES

Gym time is difficult to come by and we do not want to abuse our privileges. All players, parents and coaches are required to follow the rules as listed below. Failure to do so could result in suspension from the league.

1. Doors are NOT to be propped open at any time.
2. Bleachers are NOT to be sat on if they are pushed in.
3. All individuals are to be in the gymnasium only. Individuals should not be roaming and/or playing in hallways/Library-Media Center/Classroom spaces and/or restrooms.
4. Parents must wait with their child until the coach arrives for practice. The coach is responsible for waiting after practice with any players until all parents arrive.
5. Other children brought by parents must follow all gym rules and be accompanied at all times by the adult that brought them. To assist with this, coaches should appoint a parent to be responsible for keeping the halls clear for each practice.
6. Any/all materials taken into the gymnasium, by the organization and/or parents, are to be removed at the end of their session. Any type of container (water bottle/Gatorade/Powerade/etc.) and/or trash is to be placed into the appropriate trash receptacles and/or taken with the group upon leaving the facility.
7. Individuals should not be climbing/hanging/playing on Physical Education equipment and/or utilizing district Physical Education equipment.

8. If a coach cancels practice, there is to be notification to the Board. The Board will contact the school to have the schedule changed. ***If a coach cancels practice, they forfeit their time for the week.*** At no time is a coach permitted to call the district liaison. This information must come from a Board member. *Please contact the Scheduling Director first unless you are a Select Team. If you are a Select Team, contact your appropriate Director. If that Director doesn't answer, please contact David Hipsher or Michele Leber.* If you are unable to get ahold of them, please work your way down the line.
